

Where in the World is NA Trading?

MINNEAPOLIS, MN (Feb. 27, 2019) – NA Trading and Technology (NATT), a distributor of high-performance aftermarket copier parts and supplies, is looking forward to a busy spring. We'll be all over the country over the next few months sponsoring several industry events. If you plan to be at a Business Technology Association (BTA) or International Business Products, Inc. (IBPI) event, let us know so we can find each other.

Next month, General Manager Ted Johnson, Product Manager Jason Thomas, Sales Manager Amy Dills and Product Specialist Ryan Gahwiler will be in Orlando for the IBPI's Regional Meeting, which is followed immediately by [BTA's](#) National Conference. [IBPI's](#) meeting runs from March 19-21, and BTA's is March 22-23. If you're going to be in Orlando, stop by our table and find out about our product line, which includes quality parts and supplies for most major copier brands, or just say hi and pick up some SWAG.

Orlando is only the first of many stops around the country we have planned for this spring. Stay tuned to find out where we'll turn up next, and continue to visit www.natrading.com to learn more about us and how we can help your copier business, or call 800-231-8434 and speak with one of our knowledgeable product specialists.
