*Eligible units change frequently. An updated list can be confirmed through your product specialist or at www.natrading.com.

Send us your GPR 30/31 drum unit cores with the plastic frame to earn \$10 or \$5 credits. Here's how to identify the cores eligible for credit and avoid a \$5 disposal fee.

Canon

GPR 30/31 Preferred Drum Unit

The plastic frame unit is eligible for a \$10 credit. Units recycled more than once are eligible for a \$5 credit. See the pictures below to identify the preferred unit, or contact your product specialist for more information.

The preferred unit has plastic backing and framework as shown above. NA Trading and Technology will give you a \$10 or \$5 credit for every core you submit. We even cover shipping costs.

The first generation unit has metal backing and framework as shown above and will result in a \$5 disposal fee for each unit we receive.
