

Konica BHC 8-Series

NA Trading and Technology can help any copier dealer save money. Konica dealers with a population of BizHub Color 8-series machines are in an especially good position to save. For your BHC368s, we offer OEM-quality CMYK Toners, color drum units and waste toner bottles. Use them in place of OEM products to save 25 percent or more. That's hundreds of dollars from each BHC368, straight to your bottom line.
