NA Trading and Technology is proud to introduce the first OEM equivalent 1.2 million copy replacement OPC drum for use in Ricoh Aficio mid/high volume MP series equipment utilizing OEM number B2469510.

**Facts:**

- A unique barrier layer enables a 19% increase in coating thickness without electrical performance degradation.
- This tougher, thicker coating provides the durability required to produce 1.2 million prints under normal conditions.
- Breakthrough binder material used to toughen the carrier transport layer yields a remarkable 41% improvement in wear resistance.
- Reverse compatible into previous Aficio applications using B0709510 and A2959510 drums.
- Can increase yield up to 233% over B0709510 and A2959510 drums.
- This drum, exclusive to NATT, provides tremendous value in cost per copy applications by reducing both parts and service expenses.
